LUXURY PLUMBING FIXTURES

WELCOME TO A LUXURIANT WORLD OF BREATH TAKING STYLE AND FINE PRECISION

Think Isenberg, think the future of baths and kitchens! Urbane, sleek and superbly engineered, each collection by Isenberg is designed to add a dash of panache to your kitchen and bath spaces. But then again, it's not just the technology we excel at; we craft experiences of a lifetime to behold! A rendezvous of understated luxury and cutting-edge plumbing technology!

We design collections that are everyday style statements, designed for the discerning few! Designs that are an ode to minimalism and exactness. Engineered with great precision inside and styled to be flawless outside! With Isenberg, it's not just a world of indulgence that awaits you; it's an entire universe!

isenberg
LUXURY PLUMBING FIXTURES

THE ISENBERG BRAND - RESPONSIBLE LUXURY™

At Isenberg, we are driven by an unmatched zeal to enliven kitchen and bath spaces, with a full line of high quality, well-coordinated bath and plumbing fixtures. We pride ourselves in the ability to design complete and matching collections, comprising of faucets, shower-heads, shower-arms, shower valves and much more that lend a sense of aesthetic harmony.

We have committed ourselves to the convenience of our customers and guarantee hassle-free transactions, precise after-sales service and swift resolution of issues.

As a technologically superior and responsible brand, we celebrate our futuristic expertise of ensuring minimal water wastage and maximum water delivery. That's what makes us very urbane and very relevant to contemporary lifestyles.

isenberg
LUXURY PLUMBING FIXTURES

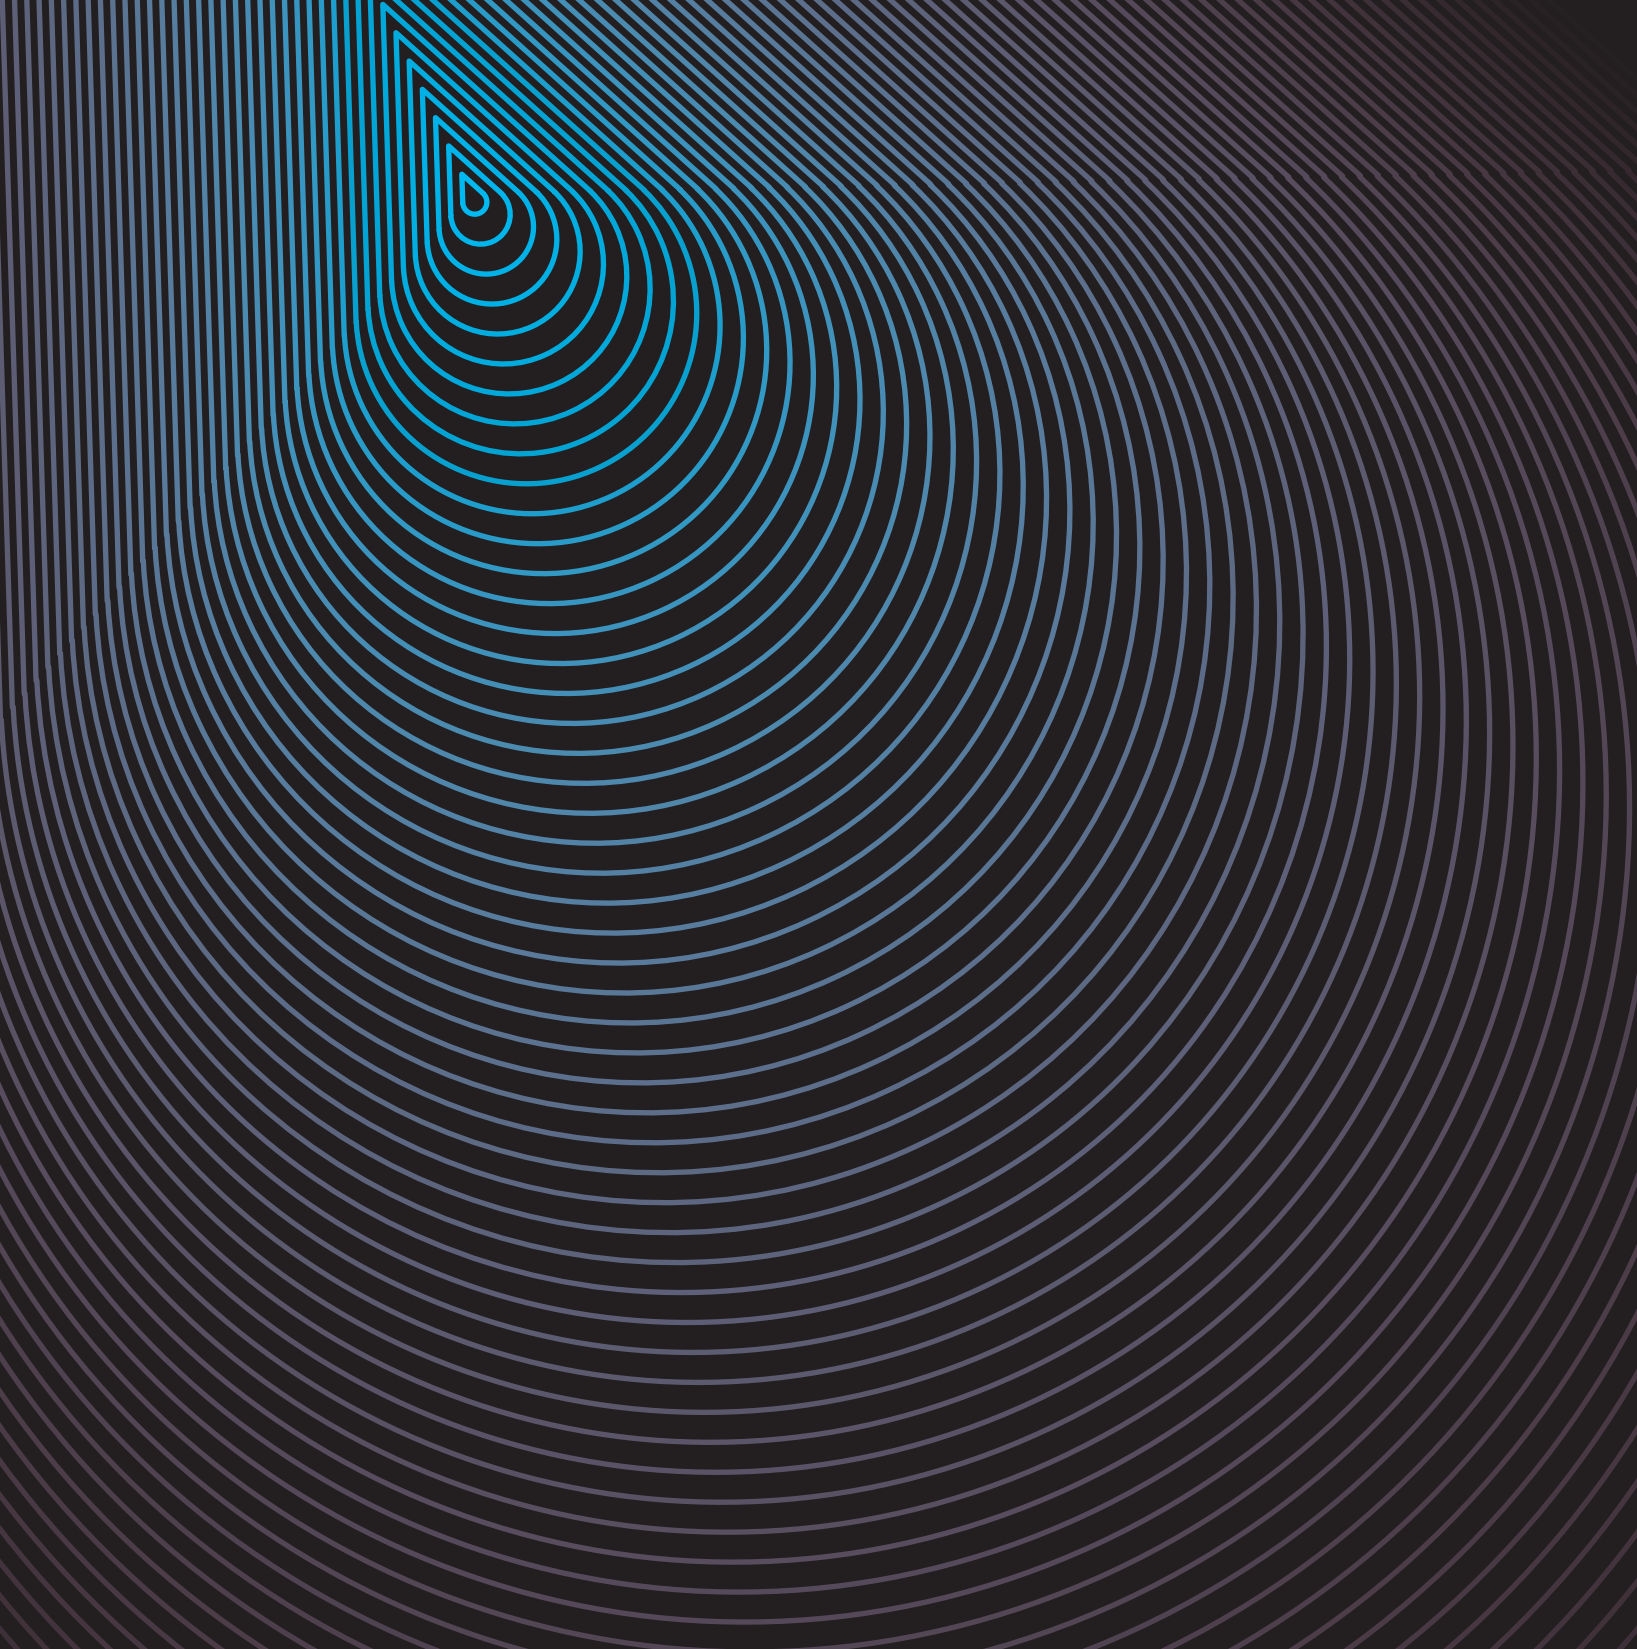

CRAFTING PIONEERING PRODUCTS IS OUR PASSION

In a world mesmerized by the sheer splendor of edgy form and design, Isenberg is an embodiment of precision engineering, combined with flawless design.

Our commitment to robust and functional design and perfection manifests itself through the Isenberg Design Lab. This is where we research, conceptualize and design, all things related to our bath and kitchen plumbing fixtures.

A space where innovation in design through the use of advanced software and prototyping is key, the Isenberg Design Lab is a natural outcome of our astute eye for detail. This is where we craft enduring and pioneering products that go on to become lifestyle statements.

THE
BATH UNIVERSE

Your bathroom is your very own private sanctuary; a soothing oasis, from where you emerge invigorated and energized! Isenberg's bath collections add a touch of flamboyance to your bath experience, allowing you to immerse yourself into some well-deserved calm and solitude.

CURVE™

Refreshingly Simple

CURVE

THE CURVE™ WALL MOUNT FAUCET

- + Created at the Isenberg Design Lab in Dallas.
- + Choose touch-less technology or a variety of handle options to match your personal style.
- + Available in chrome, brushed nickel, matte black and 20 ceramic-based color options.

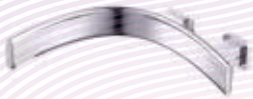

CURVE™

Embrace a new design perspective with the refreshingly simple CURVE™ lavatory faucet. Its sleek horizontal lines encompass a gracefully arched spout that extends away from the wall as it stretches out over the sink.

The background features a dark, almost black, field with a grid of small white dots. Overlaid on this is a series of thin, wavy lines that create a sense of depth and movement, transitioning from a light blue/cyan color on the left to a dark grey/black on the right.

INFINITY™

Contemporary And Sleek

THE MINIMAL SIGNATURE INFINITY™ COLLECTION

- + Amiable design suited for left and right installations
- + Crafted for his and her vanities
- + Elicits the power of color, with an astounding 20 hues

INFINITY™

The INFINITY™ Bath Collection impeccably blends the magic of sleek minimalism with a vibrant color palette and perceptive craftsmanship. Avant-garde in every sense, the INFINITY™ collection is available with wall as well as deck mount handles.

It is also reversible and is suitable for both left and right installations, which lends it a practical edge. Crafted for both his and her vanities, the INFINITY™ collection also deftly enlivens bath spaces, with an astounding twenty color variants.

ABOUT ISENBERG

In a world mesmerized by the sheer splendor of edgy form and design, Isenberg is an embodiment of precision engineering, combined with flawless design. An expression of immense style and functionality! And, this is amply represented through a collection of striking and well-coordinated faucets and assorted fixtures, all incredibly suited for modern-day lifestyles.

At Isenberg, we are driven by a zeal for unmatched perfection! Perfection that manifests itself through our design and manufacturing capabilities; one that is a natural outcome of our astute eye for detail. One that empowers us to craft enduring and innovative products that make lifestyle statements. Our stunning range of faucets and fixtures affords consumers the luxury of high-class products at utterly honest prices, designed in-house with the upper-edge of being manufactured at leading foundries across the world.
